1. Retreat Follow-up – Proposed Goals for FY2019-20

As a follow-up to the 2019 Retreat, the Board directed staff to develop proposed goals for Fiscal Year 2019-20. For the portions of the Retreat that were staff-led, the directional questions at the end of each section served as the basis for the proposed goals. Goals for the other Retreat sessions were developed based on the information presented, and feedback from Commissioners during the presentations.
